Human Resources Department  
Britam

Dear Hiring Manager,

SUBJECT: APPLICATION FOR BACKEND WEB DEVELOPER POSITION AT BRITAM

I am writing to express my interest in the backend developer position at Britam as advertised on your website. I have just completed my BSC Computer Science degree at Maseno University and I am eager to apply my skills and knowledge in a practical real-world setting. I believe that the backend developer position at Britam will provide me with the unique opportunity to contribute to your IT department while gaining invaluable experience.

During my academic career, I have developed a solid foundation in various areas of Computer Science including Web Development, Software Development, Database Management and Network Security. In addition to my coursework, I have worked on several Web Development projects that required me to design and implement software solutions to complex problems. For instance, I recently develop an ecommerce platform for selling smartphones online using Django for my backend.

I am particularly drawn to Britam because of its reputation for excellence and its commitment to leveraging technology to provide quality services to its customers. I am excited about the possibility of contributing to projects that improve technical operations and enhance innovative IT solutions. I am confident that my technical skills combined with my passion for Programming makes me a strong candidate for this position.

In addition to my technical abilities, I possess strong problem-solving skills, attention to detail and the ability to work well in a team. I am highly motivated to learn and am eager to take on new challenges. I am confident that these qualities will enable me to make a meaningful contribution to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills and aspirations align with the goals of Britam. I am available for an interview at your earliest convenience and can be reached at (+254114232496) or via email at ([kerubochri@gmail.com](mailto:kerubochri@gmail.com)).

Sincerely,  
Christine Kerubo.
